ROCKY ROAD COOKIE CUPS

(MAKES 24 COOKIE CUPS)

Start the school year in style with these easy-to-make treats. Sure to be a hit at any bake sale, each cookie cup is filled with a mixture of mini marshmallows, chocolate morsels and chopped nuts or crumbled graham crackers. They're so good, you'll want to save a few for yourself!

- 1 package (16.5 ounces) NESTLÉ® TOLL HOUSE® Refrigerated Chocolate Chip Cookie Bar Dough
- $\frac{3}{4}$ cup mini marshmallows
- $\frac{1}{4}$ to $\frac{1}{2}$ cup NESTLÉ® TOLL HOUSE® Semi-Sweet Chocolate Morsels
- $\frac{1}{4}$ cup chopped nuts or crumbled graham crackers

PREHEAT oven to 350° F. Grease 24 mini-muffin cups.

PLACE squares of dough into prepared muffin cups; press down to make a deep well.

BAKE for 12 minutes or until edges have set (centers will be soft). While still warm, fill cookie cups with marshmallows, morsels and nuts. Cool completely in pan on wire rack. With tip of butter knife, remove cookie cups from muffin pan(s).

VARIATION: Use NESTLÉ TOLL HOUSE Refrigerated Oatmeal Raisin Cookie Bar Dough and replace morsels or nuts with chopped, dried fruit.
