## POINTS OF INTEREST

- Today, Nestlé’s leadership in the food industry is evident just about everywhere people go to enjoy food — from grocery aisles to convenience store shelves, as well as in club stores, restaurants, hotels, schools and stadiums across the country. Proven food experience, wide-ranging resources and constant research fuel Nestlé’s growing family of brands. For example, food trends, time-saving cooking tips and new meal solutions are constantly being developed by the Nestlé USA Culinary Center, adding daily to Nestlé’s ever-growing collection of delicious recipes.

## POINTS OF INTEREST (CONT)

- Our “good living” philosophy also extends into the community. At Nestlé, we believe that for a business to be successful in the long term it has to create value for society. We call this *Creating Shared Value*, and it is a fundamental part of our business strategy. Through employee volunteer programs, partnerships with non-profits, and support of health and wellness organizations and initiatives, Nestlé USA regularly contributes to the communities where we live and work.
